TUBS & SHOWER ENCLOSURES

COMMITTED
TO DESIGNS
THAT ENABLE
SMARTER LIFESTYLES,
THAT PLEASE
ALL THE SENSES.

POZZI. Designed smarter-
so you can live smarter.

Relentless in its quest to invent-
and reinvent, promote, support and
ultimately harness the better, smarter
choices in bathroom technologies
and to ensure they are well within
your reach.

THE PILLARS OF POZZI

SUSTAINABILITY

POZZI aims to help lower our carbon footprint with viable products that can be with you for the long haul--manufactured with a kinder emphasis on utilizing less resources or simply using them more smartly.

This is ingrained in our consciousness, a mindfulness at helping the earth--be it through water closets that use less water, providing aerators in faucets, or showerheads that save water and electricity.

HUMAN CENTRIC Design & Technology

Pozzi: our Putting People First philosophy.

Inspired and moved by people's real needs, POZZI renders designs and builds in technology that are intuitive and usable, that anticipate the users' needs.

Placing people at the center of our design universe helps us create bathroom products that smartly fits into one's space and lifestyle.

VALUE ADVANTAGE

Everybody's sensible side is satisfied with POZZI.

The added value of a POZZI product far exceeds its price tag, giving one the satisfaction of owning a product that pleases the senses--including one's good sense in knowing that this smartly designed product is well worth it.

QUALITY & DURABILITY

Life lived smarter.
Enabled by our culture of utilizing top notch quality materials.

Ensuring that Pozzi creates durable bathroom solutions that will outlast lifetimes.

Children can grow up with POZZI --parents too can enjoy growing old with them in their homes.
